Dear [Redacted]

As you may know by now, Jim Beck has transferred to Washington. I have been named Director of the Executive Seminar Center, Berkeley.

It is my sincere hope that we will continue to provide for your people the same kind of interesting, worthwhile and exciting seminars as we did under Jim's very able leadership. We have a fine staff again this year and are looking ahead with enthusiasm.

Please call on me for whatever help I can offer. I'll do my best. I'm looking forward to meeting each of you personally (and greeting again those of you I came to know while I worked in Washington).

Sincerely yours,

Harry Wolf
Director
